

# Chief Financial Officer - Job Description

## Prometheus Space Technologies Limited.

<b>Job title:</b>	Chief Financial Officer
<b>Location:</b>	Hybrid: London headquarters/remote
<b>Terms:</b>	Contract.
<b>Salary/rate:</b>	10% equity
<b>Requirements:</b>	London based, UK work permit.

**About us:** Prometheus Space Technologies Limited is a Deep Tech Space Startup that designs and creates modern technology to prevent environmental disasters from happening and help create a safe world for all. Currently, we launch our sophisticated software platform that prevents wildfires using high resolution satellite data, Artificial Intelligence, deep learning and advanced GIS.

Our target is to reach global sales and be leaders in Environmental Risk Management market segment.

We want to expand and establish an amazing London-based team to work remotely and at our London headquarters in a hybrid working environment.

**About the role:** The Chief Financial Officer will direct and oversee the financial activities of the company, direct the preparation of current financial reports and summaries, and create forecasts predicting future growth and will execute the funding process.

- Responsibilities:**
- Oversees investment of funds and works with Venture Capitalists, Business Angels, and investment bankers to raise additional capital required for operation and expansion.
  - Works with the CEO and other executives to coordinate planning and establish priorities for the planning process.
  - Directs the preparation of all financial statements, including income statements, balance sheets, shareholder reports, tax returns, and governmental agency reports.
  - Compares sales and profit projections to actual figures and budgeted expenses to actual expenses; makes or oversees any necessary adjustments to future projections and budgets.
  - Reviews planning process and suggests improvements to current methods.
  - Studies long-range economic trends and projects their impact on future growth in sales and market share.
  - Identifies opportunities for sales/expansion into new product areas.

**Candidate requirements:**

- Excellent management and supervisory skills.
- Excellent analytical and organizational skills.
- Excellent written and verbal communication skills.
- Excellent grants process application written skills.

**Contact us to apply**

Our vision is to benefit humankind and create a safe world for all. Come and grow with us and share the same vision for a better world!
